Monstbrgk Pvt Ltd's

Industry: Infrastructure **Organisation Type:** Private **Organisation Size:** 501 - 2,000

About

Monstbrgk Pvt Ltd is a leading service provider in the telecom industry, specializing in providing end-to-end solutions for passive infrastructure on telecom towers. With years of experience and a deep understanding of the evolving telecom landscape, we deliver high-quality, reliable, and cost-effective services to support telecom operators, OEMs, and infrastructure providers. Our expertise lies in the deployment, maintenance, and optimization of passive elements within telecom towers, ensuring that the core infrastructure supports the fast-paced growth and increasing demand for connectivity. From tower construction and installation to power systems, grounding solutions, and shelter services, we provide a comprehensive suite of passive work tailored to meet the unique requirements of each client.
